

Annual Update:

When there is a change to your monthly payment, you will receive notification of the change. The Saskatchewan Teachers' Superannuation Commission

(STSC) is pleased to provide you with your January 2020 Notification of Deposit. Your January payment reflects the **2020 Cost of Living Allowance**

(COLA) increase of 1.5%, plus any changes in Federal and Provincial income tax rates.

Cost of Living Allowance Increase:

The Teachers Superannuation and Disability Benefits Act provides an annual COLA for retired teachers, spousal, dependants and disability recipients. **For those who began receiving payments during the 2019**

calendar year, the COLA will be prorated. Allowances are adjusted each January 1 by 80% of the percentage increase obtained by dividing the average Canadian consumer price index (CPI) for the 12 months ending on

the 31st day of October of the previous year by the average CPI for the 12 months ending on the 31st day of October one year earlier. Your annual increase is provided to help offset the effects of inflation.

2019 T4A Income Tax Slips:

The CRA T4As **are scheduled** to be mailed from the STSC **the week beginning February 10, 2020.** For those who superannuated part way through the year, you will receive a separate T4A

for the group life insurance taxable benefit from when you were teaching. For those who were in receipt of a disability benefit and superannuated part way through 2019, you could

receive up to three T4As. One for your disability benefit, one for your superannuate benefit and one for the group life insurance taxable benefit from when you were teaching.

Power of Attorney:

To ensure you have the proper legal authority in place in the event that you are unable to carry out your financial instructions, you may have authorized a family member or trusted friend to be

your Power of Attorney. A Power of Attorney is a legal document that gives someone else the right to act on your behalf, like managing your financial affairs in your absence.

If you have provided a Power of Attorney to a trusted person, a copy of this document should be forwarded to the Commission to keep on file.

Request to Confirm Receipt of Pension Payments coming in July 2020:

It's considered a best practice in the pension industry for plan administrators to periodically contact its superannuates and receive confirmation that they are indeed receiving their pension benefits. Beginning in 2017, the STSC implemented a process where each pension recipient that receives a benefit from the Teachers' Superannuation Plan was mailed a letter requesting they confirm in writing they are receiving their pension entitlement. The inaugural pension confirmation initiative was successful in identifying a small number of deaths that were not reported to the Commission resulting in pension payments continuing to be paid

to persons not entitled to receive the benefit. In these cases, the payments were discontinued and monies were returned to the Fund. This type of periodic validation is very important to ensure the integrity of the Plan. The primary purpose of this pension confirmation is to ensure the proper person entitled to the pension benefit is receiving their payment. At the conclusion of the first confirmation initiative, the Commission established a policy that each pension recipient will receive a letter every three years with a request to confirm in writing receipt of their pension benefits. In July 2020, the

Commission will be mailing out a letter asking pension recipients to sign and return the letter to the STSC to confirm they are receiving their pension benefits. The pension confirmation letter will include a self-addressed, postage paid, return envelope for each person's convenience. This project will be complete once each pension payment is successfully confirmed and reconciled. The Commission sincerely appreciates your timely response to its pension confirmation request. **Please watch for the pension confirmation letter scheduled to be mailed out by the second week of July 2020.**

Important Reminders:

Your Beneficiary - If you had a change in personal circumstance, it is important to update your designated nominees/beneficiaries for your pension and group life insurance. This is especially important if you have a change in a family

situation due to marriage, divorce or death. Please note common law status is only recognized under *The Teachers Superannuation and Disability Benefits Act* if you are not married.

A beneficiary form for group life insurance benefits will supersede a Last Will and Testament. You can find the Group Life Beneficiary and the Appointment of Nominee forms on our website.

Banking Information - For security reasons, changes to your bank information cannot be taken over the telephone. To update your

account information, please send a void cheque attached to a letter that includes your Social Insurance Number, or a direct

deposit authorization signed by yourself. You can find the Direct Deposit form on our website provided below.

Address - Thinking of moving? Don't forget to let the Commission know! Inform us of your new address change and include your

Social Insurance Number. This will ensure that you receive your T4A and any other correspondence in a timely manner.

Below is our contact information. You can find an address change form on our website.
